## 4 Human Consequences and Responses

The government of Haiti was infuriated and called for the waste to be removed, but the company would not come to take the ash away. Despite the success of some environmental parties, environmentalists remained divided over the ultimate value of electoral politics. These mainstream organizations formed the Group of Ten G-10 , which included the CEOs of the ten largest environmental organizations.

### Sustainable development and popular participation : a framework for analysis

The New Conservation Movement The New Conservation Movement consists of thousands of small, local and regional groups formed by dedicated activists to save Americas forests, especially ancient forests, one at a time. Agricultural systems based on indigenous models can be profitable in a market economy.

### Environmentalism

The variety of environmental issues addressed by these groups include: toxic abatement; ecological economics; civil rights; human rights; secular and religious issues; and wilderness preservation.

## **Environmentalism**

Stockholm represented a first taking stock of the global human impact on the environment, an attempt at forging a basic common outlook on how to address the challenge of preserving and enhancing the human environment. Current issues in the Brazilian policy debate that will affect the viability of indigenous groups include the implementation of reserves on which these groups collectively determine resource exploitation Hecht and Cockburn, 1989 , institutions governing the enclosure of public land for unrestricted private uses, and various types of park or biosphere areas with protected wilderness and some degree of zoned multiple use Poole, 1989:43.

## **THE AMERICAN ENVIRONMENTAL MOVEMENT: SURVIVING THROUGH DIVERSITY**

To the extent that these changes increase costs, businesses are likely to oppose them and the changes are unlikely to occur. In the end, a final text emerged only as a result of the forceful intervention of the chairman of the Preparatory Committee, Tommy Koh.
