Description: Seeking to Square the Circle

It re-directs the forces that fetter the human mind to earthly things. Acta Amazônica, 10 2 : 293-309. Journal of ethnopharmacology : 235-238.

Groupthink and Thee Temple ov Psychick Youth

The word first, according to the defect of time, is spoken of with reference either to the month or the man, and each interpretation has reason to support it; for if we are bound to maintain that the water began to abate in the first month, we are equally obliged to consider that the sacred historian intended also to speak of the seventh month, that is, of that month which is the second equinox, since the same month is both the first and the seventh; that is to say, the first as respects nature and virtue, and the seventh in point of time.

Articles on Shamanism and Shamanic Studies: The Reality of Spirits by Edith Turner, published in Shamanism, the Foundation for Shamanic Studies Magazine

We talk about government spending that is, indeed, to spur the economy, to spur economic growth, to spur new investments. It's not that we fear what may happen to them; rather, we fear what we stand to sacrifice, we fear squandering the sunk costs in our own scene's narratives, to which we're helplessly wedded.

Financial economist and historian Michael Hudson on Modern Money Theory

Zeitschrift für Lebensmittel Untersuchung und Forschung 204 : 442-444. Not all 30 minutes meditation but still at least 10-15 minutes before going to bed sometimes a bit exhausted.
