## A Pictorial History of The Talkies By Daniel Blum

Spine creases, wear to binding and pages from reading. Pages and plates are lightly tanned throughout with thumb marking present. Contains black and white photographs.

## A Pictorial History of The Talkies By Daniel Blum

This problem particularly plagued foreign actors whose accents were thought to disrupt the American idiom

## A New Pictorial History of the Talkies by Daniel Blum Revised And Enlarged

. It has large paragraphs of text about the transition from silent films and then a paragraph to summarize each year from 1930 to 1958 by mentioning major award-winning pictures and actors, major hits, hot newcomers, and deaths.

### **A new pictorial history of the talkies by Daniel C. Blum**

With this book on the Talkies, Daniel Blum has again, as he did in his Pictorial History of the Silent Screen, captured an era - of the motion pictures coming of age.
