Dante's Inferno

It will become a heap of ruins, and its villages will be burned. Israel was not to be interwoven with any other people — but was called to be God's special treasured possession Deut.

There is no difference in how we get saved or how we approach the One True God, but there is, and remains, a difference in callings even after salvation. After all, it is said, if you do not love yourself first, how can you love God, or your neighbor, or your cat, or whatever? God then explains His fury. The first is Ezekiel 27, which describes God's judgment against the king of Tyre, in whom many see a type of Satan.

They saw themselves as only helping to complete His righteous judgment.

Deuteronomy 3:11 (For only Og king of Bashan had remained of the remnant of the Rephaim. His bed of iron, nine cubits long and four cubits wide, is still in Rabbah of the Ammonites.)

The grand forests were raped for their prime timber, the balance burned wastefully. It is always plural in the Tanach. For those who judge all by the filter of God's Word, we see that the Bible openly declares God as totally sovereign as already mentioned several times in this teaching.

Mark out one road for the sword to come against Rabbah of the Ammonites, and another against Judah into fortified Jerusalem.
