Your local gardening shop will also carry varieties of plant food.

### How to Arrange Flowers in 9 Easy Steps

The most important flower arrangement technique doesn't actually involve the flowers—it's all about the vessel you put them in. Slide the stems into the openings of the grid and rest them on the tape. Also, be sure to recut stems before adding them to the vase.

### How to Make a Flower Arrangement in 8 Simple Steps

Learning to arrange flowers is a fun way to add personality and artistic vision to your home. I feel like I have the resources to arrange a bouquet from the supermarket or help out in a wedding pinch. The focal flowers are the ones you want to highlight.

But sometimes—be it a birthday, holiday, or with congratulatory intent—a bona fide flower arrangement is called for. Combine smaller flowers together in groups of three or five to create clustering, similar to what happens in nature. Moss recommends selecting flowers based on what's currently blooming in your garden or what you can find at the local market.
