This particular sector determines the growth of all other sectors and consequently the whole national economy.

### A critical review of rural development policy of Ethiopia: access, utilization and coverage

.. Agroforestry in the drylands of eastern Africa: a call to action.

## Rural Development Policy of Ethiopia with Particular Emphasis on: Market

The report starts off with defining inclusive growth, and highlights how agriculture can contribute towards this phenomena as a consideration. The focus of the papers is therefore on the national and local level; on country-led rather than UN efforts; and on a range of immediate and underlying factors that appear to be important or essential in enabling progress under differing conditions and country circumstances. .

## Rural Development Strategy Review of Ethiopia: Reaping the Benefits of Urbanisation

Were the implemented rural development models in the country appropriate? The rural development in Ethiopia has a relatively longer history than many sub-Saharan African countries. .
