Hindu temples and Sikh gurdwaras have gradually joined councils of churches, synagogues, and mosques. What is the meaning and purpose of life? Yet she proclaims and is in duty bound to proclaim without fail, Christ who is the way, the truth and the life Jn.

## Historians

The former cannot be true since surely some cultural practices are not so deserving , and the latter forces us to identify those properties which make some cultural practices valuable and others not. His dedication to public service has also led him to involvement in a variety of civic, cultural, educational and humanities organizations, including the Urban League of Essex County, the New Jersey Council on the Arts, the New Jersey Performing Arts Center, the Newark Museum and the Newark Public Library.

## From Diversity to Pluralism

The answer is not necessarily.

## Clement Alexander

Men look to their different religions for an answer to the unsolved riddles of human existence. The church is the community that orders its life according to these kingdom commitments, even in the midst of cultural and political defeat. This is no easy task.

## Historians

In him, in whom God reconciled all things to himself2 Cor. This shift of self-description was received with open arms in northwestern Europe, too.
