## Building Bridges to Understanding in the Pre

Eventually, he was making enough money through his YouTube channel, and taking so much time to create and maintain it, that he closed his school, although he still works part-time at two Japanese universities. This shows engineering skills at work; Emma came up with a solution to a problem by testing and redesigning her bridge. Consider re-typing so no one can recognize the handwriting.

## Building The Bridge

My kids were suddenly the only non-Spanish speaking, white kids around. Lisa and the children discuss bridges they have seen or crossed.

## Building the Bridge Between Community College and Work For Students with Learning Disabilities

YouTube monetizes a channel by posting ads on it when it hits 1,000 subscribers. To create a 10-minute video, Nichols would spend an hour or two choosing a topic and planning her lesson.
