One path by means of which the court might have learned about such theatrical pastimes and about their suitability for royal entertainment was through the kuranty, the digest compilations of Western newspapers prepared by the Diplomatic Chancellery for the tsar and his advisors. But there is no explanation provided as to why Tolokontsev preserved the list and the

sealed envelope.

Newsletter

In early modern Hungary, the characterization Greek referred to Orthodox Balkan immigrants, and occasionally meant merchants. In the border regions of Eastern Siberia, nearly 11 per cent of the population had been denied passports, while 1. В первом подразделе самостоятельной рубрикой выделены фонды военно-революционных комитетов, имевших особое значение в подготовке и проведении Октябрьской революции, становлении нового советского государства.

Course: Procesna i energetska efikasnost

In: Journal of Modern History 69 1997 , 3, pp. They came from roughly the same generation, Dzerzhinskii was born on 11 September 1877, a year before Stalin, seven years after Lenin, and whilst many of their experiences were merely coincidental to all of this period, there are deeper connections which are so striking that they suggest something more than coincidence.
