## Lot

The Osaka printmakers had specialized nearly completely in the business of yakusha-e.

## Toyohara Kunichika

Leyden, the Netherlands: Hotei Publishing. He is known to have used these talents in amateur burlesque shows.

## Yakusha jūnikagetsu mondō [picture] / Toyohara Kunichika hitsu

Actors ordered yakusha-e to support their popularity. His are very popular in and outside of Japan.

## Ukiyo

The enigmatic had produced some 140 prints, nearly all actor prints, within less than 10 months and then disappeared. The designs are immediately arresting and these great swooping lines of the brush and the affected features bring to mind the work of Picasso seventy years later. His prints document the roles assumed by all the leading actors of the day, but especially the three greatest performers Ichikawa Danjuro IX 1839-1903 , Onoe Kikugoro V 1844-1903 and Ichikawa Sadanji I 1842-1904 , known collectively as the Dan-Kiku-Sa.

## Toyohara Kunichika

At this time this is the only substantive reference written in English. Among them, one artist should be mentioned who has specialized in yakusha-e. Color Woodcut International: Japan, Britain and America in the Early Twentieth Century.

## Original woodblock print triptych

An Experiential Approach to Organization Development 6th Edition. The best known and the most productive one was. He made sketches of actors before and during performances and at rehearsals.
