restrained. It also offers valuable insight into how the politics of the African-American community—and other marginal groups—will evolve in the twenty-first century.

The boundaries of blackness (1999 edition)

She at times is overly critical of black institutions.

The Boundaries of Blackness: AIDS and the Breakdown of Black Politics: Cohen, Cathy J.: 9780226112893: me.stfw.info.cdn.cloudflare.net: Books

Reading it for a course in Political Theory and it is captivating.

CFP: Souls Special Issue on Black AIDS

It was heartwrenching to watch friends whiter away because not nearly enough was done and organizing increased too slow. These alarming developments have caused reactions ranging from profound grief to extreme anger in African-American communities, yet the organized political reaction has remained remarkably

A Roundtable on Cathy Cohen's *Boundaries of Blackness* at 20

The *Boundaries of Blackness* is a solid book which analyzes the response of black communities to the AIDS crisis.
