**Book Reviews, International Journal of Comparative Sociology (in 2002 continued as Comparative Sociology)**

Finally, the process instigated broad collaborative partnerships.

**Uncategorized**

One who is not truly God, he argued, cannot bring us a share in the divine life. More recently in 2000, floods and cyclones devastated the southern and central parts of the country and wiped out many of the gains made since the end of the civil war in the early 1990s.

**Actions and interactions: social relationships in a low**

In addition, institutions are required to facilitate continuous consultation and cooperation especially between the national and the devolved governments in enhancing the devolution processes. A 2000—2001 review of telecommunications objectives pledged that counties with

populations of 500,000 and over would have basic access to telephony and an Internet POP would be established in every district to enhance the use of telecentres and similar services. Earlier attempts to empower the youth had resulted in little success due to budgetary constraints.
