The Political Genius of Donald Trump

Not so much today, as Sanders tries to solidify his position as the Democratic front-runner in part by dominating the youth vote. The hegemony of such theories also led the field astray, both crowding out alternatives and degenerating into recondite academic parlor games rather than a more vigorous, diverse research tradition. He viewed the , in contrast to the , as the dictatorship of the majority.

Soviet Union: Stalin, Cold War & Collapse

President Franklin Roosevelt gives the USSR and other countries millions of dollars worth of weapons and other support for their fight against Nazi Germany. Other sources of energy must be explored. You will still see some advertising, regardless of your selection.

Timeline of U.S. and Soviet Relations

Individuals do not need guns for protection; it is the role of local and federal government to protect the people through law enforcement agencies and the military. His main contribution to Marxist thought is the concept of the of the.
