## Planning permission refused for Lisburn quarry after 2,700 letters of objection

The main responses from the Department — I have lost my screen; the battery has gone — are, from memory: following the publication of the strategic planning policy statement SPPS , it will review the renewable energy policy. Friend the Secretary of State.

## Processing of Planning Applications: 21 May 2007: Northern Ireland Assembly debates

Mr Martin: You could ask this: is there something that we could do? The United Nations estimates that 10,000 people have died in the conflict and one million have fled their homes in Darfur. That is a change from how things have previously been done; however, this is a new game. I think this is probably a first for indymedia.

## CAIN: Victims: A Chronology of the issue of Victims

Why didn't you take it? The chief, whose picture was on the cover of an American magazine, where he was considered to be the solution for the problems of humanity, was sentenced to six years in prison. Can the Minister give some examples of that? I therefore find that the stockpiles do not represent unlawful development.

## Deaths in the Troubles

As far as I can tell from a careful reading of the book, he did not witness a single act of violence and was never in any danger. I do not mean bungalow development; I mean local communities and villages. In the same year, The LTTE bombed a bus carrying 140 civilians in the north east.

WTKK denied CAIR's request for a tape of the program. Previous conferences have been on topics such as secession, power-sharing among ethnic groups, democracy across borders, crimes against humanity and international criminal law. A Chadian government spokesman said the troops would protect local civilians and refugees from the Darfur region of Sudan who are sheltering in the area.
