## Reading with children

Read together on a daily basis and ask questions about the book. A lot of people don't realize just how many skills can be picked up through the simple act of reading to a child. Background knowledge is key to children having successful meaning making experiences with texts. Strengthen your child's comprehension skills by asking questions while reading.

## Teaching students with hearing loss

You can make books part of your daily routine — take them with you to share and enjoy everywhere.

## Activities

Helping children learn to pay attention to sounds in words can prevent reading problems later on.

## How Do Kids Learn to Read? What the Science Says

Ask her to make a face to show the way the character in the poem is feeling. Breaking down words into syllables and into sounds helps children to understand that individual words are composed of different sounds which can help to improve their speech and pronunciation.
