## European World Empires

The CBOT specialized in the trading of forward contracts. It was not cruelty that kept rates of mortality aboard the slave ships high but a combination of ignorance of its causes together with an inability to treat tropical—indeed any—diseases effectively.

## Five companies that dominated the Canadian fur trade

Immense quantities were seized from these peoples and shipped to Spain; the initial influx of hard currency provided a period of fiscal relief, but the country suffered in the later 16th century and never fully recovered. The refers to the years of the reign of James I in England, 1603–1625. Intolerant inclinations, however, could be overcome by money.
