Environmental backpack in or horseback ride in camps are also available.

## **Special**

So, what are you waiting for? Please ensure your vessel is cleaned of vegetation and organic material, drained of any and all standing water including the outdrive and live wells , and completely dry. Recently, the Department of Water Resources began to test State facilities for the presence of harmful algae. Call the Forestry Department at 715 561-2697 during office hours to reserve.

## **U.S. Military Campgrounds and RV Parks**

The park phone number is 760-765-3020. There are also six group sites that are available by reservation only.
