### **Introduction to New Testament Textual Criticism by J. Harold Greenlee (1993, Trade Paperback, Revised edition) for sale online**

BUT the first edition of the commentary includes comments on 273 variants that were no longer included in UBS4 or the second edition of the commentary. An even simpler version can be found int his Evangelical Textual Criticism post,

### **A Plain Introduction to the Criticism of the New Testament, Vol. II**

Part 4: The Role of Church History in Textual Criticism—coming soon! John Rylands Library Papyrus P52, recto The Byzantine text, otherwise called the Syrian text so Westcott and Hort , the Koine text so von Soden , the Ecclesiastical text so Lake , and the Antiochian text so Ropes , is , on the whole, the latest of the several distinctive types of text of the New Testament. Volume two concludes with an extensive sampling of passages illustrating the principles taught in the book.

### **Evangelical Textual Criticism: New Testament Textual Commentaries**

It hence happens that when a manuscript contains more than one section it may be represented by different symbols in its several parts, while conversely the same symbol may represent different manuscripts in the several sections. I have a better understanding of Textual Criticism after reading this book.

### **The Text of the New Testament: An Introduction to the Critical Editions and ...**

A contains all but a few chapters. Versions of the late third or early fourth century, two,—the Peshitto Syriac and European Latin. That being said, I do include a few things here that are not primarily textual commentaries but contain interesting or valuable text-critical discussions.

### **Introduction To New Testament Textual Criticism PDF Book**

A conjectural emendation is a reading that is not found in the physical evidence, but which seems warranted by internal evidence. Parchment was probably generally beyond its means.
