Sex, Violence and the Body

Is a 'love bite' an injury or cosmetic surgery mutilation? In: Sex, violence and the body: the erotics of wounding. Burr, Vivien and Hearn, Jeff 2008 Sex, violence and the body: the erotics of wounding. Hearn, Jeff and Burr, Vivien 2008 Introducing the erotics of wounding: sex violence and the body.

Introducing the erotics of wounding: Sex, violence and the body — University of Huddersfield Research Portal

By combining contributions from a variety of substantive areas in a single volume, this unique edited collection represents a social and cultural overview of a fascinating issue. What is particularly original is approaching the sex-violence-body nexus through a specific focus on the 'erotics of wounding' and, in each of the subject areas addressed across the 12 chapters, the book clearly sets out the key conceptual issues, debates and challenges in this frequently misunderstood area.

Sex, Violence and the Body

AB - This unique book examines the relationship between wounding and sexuality, bringing together issues around sexuality, gender, power, violence and representations. ISBN 9780230549340 Metadata only available from this repository. This is an important, insightful and challenging book.

Sex, Violence and the Body (豆瓣)

Beneath the epidural lie a host of gendered and sexual inequalities that many of these authors make viscerally visible. And how might relations between the sexes and the meaning of masculinity and femininity be revealed by addressing such questions? And how might relations between the sexes and the meaning of masculinity and femininity be revealed by addressing such question. How should we understand the erotic power of films such as David Cronenberg's Crash and the appeal of images of the tortured male body? For example, sexual violences, such as rape and sexual assault, can be understood, from one point of view, as specific forms of often male sexuality, and then, from another point of view, not as sexuality, but rather as forms of violence.
