The Mastersingers of Nürnberg

WALTHER Not before I know all! She is so good, so gentle to me, and often looks at me tenderly: when you strike at me, she caresses me and smiles so sweetly the while! Blumen und Bänder soviel man mag! Wär uns der erste Best' willkommen, was blieben dann die Meister noch wert? The following morning Walther sings to Sachs a song which has come to him in a dream, Sachs transcribing the words and passing friendly criticism upon them and the music. Escena 1: Interior de la iglesia de Santa Catalina en Núremberg Después de una magnífica obertura orquestal se inicia el acto con un coro cantado en dicha iglesia, donde está concluyendo un servicio religioso para la , justo cuando Walther von Stolzing, joven caballero de , se dirige a Eva, a quien ha conocido antes, y le pregunta si está comprometida con alguien.

Los maestros cantores de Núremberg

A Master, rich and high-minded, will show you this today: his little daughter - his greatest treasure, with all his goods and possessions - to the singer who in the song-contest wins the prize before all the people, as crown for the highest prize he offers her as reward. And whoever managed it would at the same time show that he was poet of the song, and he would rightly be named Master if he were to find just judges. Eva, decidida a buscar a Walther, le dice a Magdalena que se haga pasar por ella Eva en la ventana del dormitorio. BECKMESSER Doch wollt ihr von dem Punkt nicht weichen, der mich - ich sag's - bedenklich macht: kann Evchens Wunsch den Werber streichen, was nützt mir meine Meisterpracht? Beckmesser is beside himself with laughter at the thought that Walther learned to sing from the birds! La doncella de Eva, Magdalena, induce a David, el aprendiz de Hans Sachs, a enseñarle a Walther el arte de los maestros cantores.

. DIE LEHRBUBEN UND DAVID Die Lehrbuben sind von der Bank aufgestanden und nähern sich dem take hands and dance in ring round the Marker's box Good luck for the Master-singing if you want to gain the garland! Er geht verdrüsslich im Hintergrunde auf und ab WALThER This is the right place for me. WALThER Why should that cause such great difficulties? War't ihr noch nie bei 'nem Singgericht? Who'd think there was

a tailor inside the goat! With Pringle as Beckmesser, you are guaranteed prissy manners, pedantic hand gestures and the appropriately uncomfortable facial expressions, Pringle excels brilliantly at every single one of these.

Die Meistersinger: Synopsis

In Nürnberg der grösste Meister mich lehrt die Kunst Hans Sachs! When Walther again poetically explains that he is indeed ready to provide words to music of his own invention, the Masters somewhat reluctantly agree to let him try for entry into the guild. WALThER No, from the guild and its Masters my vision did not want to take its inspiration.

All Is Illusion: Music from Wagner's Die Meistersinger von Nürnberg

Ein Meistersinger muss er sein, nur wen ihr krönt, den soll sie frein. MAGDALENA Let David teach you how to seek trial. To accompany Sachs' work, Walther sings a tender third verse, gazing lovingly at Eva.
