The Hippest Guy on the Planet

Pepper's Lonely Hearts Club Band," there's Southern, preserved in all his sunglassy glory.

The Hippest Guy on the Planet

A small-town Texan, he disdained his roots and bopped with the Beats, hobnobbed with Sartre and Camus, and had William Faulkner for a friend.

A Grand Guy, The Art and Life of Terry Southern

Which is fine -- unless you happen to be the guy's biographer.

Nonfiction Book Review: A Grand Guy: The Art and Life of Terry Southern by Lee Hill, Author HarperCollins \$30 (352p) ISBN 978

Yes, he did things with panache - I'll give him that.

A Grand Guy: The Art And Life of Terry Southern by Lee Hill

Sad story of sorts, but nevertheless as the title says 'A Grand Guy. The picture Southern conjured of himself as too bloated to get out of bed is eerily prescient of his final years, when the author, with unkempt hair and white beard, ravaged by drugs and alcohol, was neglected by Hollywood and the literary establishment following 25 years of dwindling productivity. A delight of a book, well researched, well written and entertaining.
