These treaty agreements established an ongoing relationship between settlers and their descendants and First Nations and theirs , where each group asserted rights and responsibilities in relation to the other.

### **Chapter 10**

As a settler Candian, I have been largely exposed to the settler culture and the traditions that come with that culture. It has already done so, in part, by facilitating the work of our office in bringing together the parties of the Federation of Saskatchewan Indian Nations and Canada to reach common understandings and to use the Treaties as a bridge from the past to the future.
