## The Hand that Rocks the Cradle Rules the World

All she ever built was a reputation as a whore for sale.

### Rita Mae Brown SIGNED

Woman, how divine your mission, Here upon our natal sod; Keep—oh, keep the young heart open Always to the breath of God! There may be a few people on the extreme if it's a bell curve who really truly are gay or really truly are straight. In the palace, cottage, hovel, Oh, no matter where the place; Would that never storms assailed it, Rainbows ever gently curled, For the hand that rocks the cradle Is the hand that rules the world. I adore Brown's work in general.

### The Hand That Rocks the Cradle (poem)

As they leave the attic, the police and paramedics arrive.

The male cast is weak. Lawyers tell Mott's pregnant widow that her husband's assets have been frozen because of the lawsuits, he voided his contract by committing suicide, and she will lose her luxurious home. The dust wrap is age toned around the edges and along the spine.

## The "Hand That Rocks The Cradle" House

Moore has fared the best.

### The Hand That Rocks the Cradle

The shock leads the wife to miscarry, after which she poses as a for one of her husband's accusers, and slowly begins to infiltrate the family. And the rest, as they say, is history. As Mott tries to take Joey, Claire gets back up, having faked her asthma attack, and eventually pushes Mott out of the window, impaling her on the and killing her.

### **The Hand that Rocks the Cradle**

Claire tells Michael to call the police when she realizes that Mott was behind Marlene's death and that she was the intended target. Claire accuses Michael of having an affair with Marlene, only to find the party-goers waiting in the next room. Definitely worth a read - mine is beat-up, dog-eared and very well travelled.
