## Latin America in the Colonial Era: under Spain and Portugal

Many members of the privileged groups at least compared to the Indians were unable to hold onto their positions in society and in many areas a large number of people of mixed descent were falling to the status of the Indians and being incorporated into indigenous communities. . The Continuity of Sacred Urban Open Space: Facilitating the Indian Conversion to Catholicism in Mesoamerica.

## Latin America in the Colonial Era: under Spain and Portugal

Outreach activities include readings by distinguished Spanish, Latin American, and U. In Spain, the Catholic Church was effectively a branch of the state, and this situation was transposed to the Americas. These groups were usually from the poorer ranks of Spanish society, or of mulatto or mestizo descent.

## Hispanic Heritage Month

Austin: Religion and the Arts, 2014. For the purposes of this article, the history of Latin America in the colonial era covers the period from the arrival of Christopher Columbus in the Americas, in 1492, to the late 18th century.

## The Black Experience in Colonial Latin America

After some brief fighting enough for the Tlaxcalans to learn that the Spanish were formidable fighters they soon decided to join the newcomers against their bitter enemy.

## The Significance of Spanish Colonial Missions in our National Story and our Common Heritage with Spain, Mexico and Latin America

An institution known as the Inquisition became the agent for enforcing strict Catholic orthodoxy on those who had accepted conversion. They despised manual and commercial activities as being beneath the dignity of men of their class, and their focus was very much on military activities and landownership. These two works are among a growing number of studies that present a revisionist view of mission history.
