## Barclay Fox's Journal by Barclay Fox, Professor R.L. Brett

Fox does not explain how grace brings salvation. McClelland Barclay painting a portrait of During the 1920s and 1930s, Barclay's images were selected for use by art directors for the nation's most popular periodicals including , , , , , The , , and a host of movie magazines. I saw also how people read the scriptures without a right sense of them, and without duly applying them to their own states.

## Light and Silence: Robert Barclay Archives

So, as Fox remembered it, this Roman Catholic man very clear ly believed in salvation by good works.
