The Treasury Of English Church Music 1545

The five choirs selected for the 1966 recordings brought a diversity of performing styles and acoustical settings. These developments combined to ensure that cathedrals and the more aspirational parish churches could be assured of an unbroken succession of well-trained choral and organ scholars with experience of recording and broadcasting.

The Treasury of English church music, 1545

Treasury of English Church Music

Much of this early motet and Mass repertory is anonymous, a fact that reflects the purely local purpose for which music of this period was composed. Large 8vo, red cloth with gilt lettering and black volume number blocks to front and spine.

The Treasury of English church music, 1545

Those volumes comprised some 1100 pages of music, much of it newly edited, and constituted a comprehensive survey of English church music over a period of more than eight centuries, from the earliest English liturgical polyphony to the latest compositions of Kenneth Leighton and Peter Maxwell Davies. Unclipped jacket with visible edge wear and rubbing.
