Assessing the draft Building Safety Bill

N EN CBCN CBCN N Com. Explanatory Note The draft amendments provide for separate 8-digit tariff subheadings for banknotes, postage stamps and revenue stamps to enable more accurate statistical data on the movement of the said goods.

Explanatory Notes relating to the Legislative Proposals Relating to the Income Tax Act, Employee Life and Health Trusts

We advocate that there should always be a level of regulation to manage that. I do not have strong views on that, so I am happy to hand over to Nicola Mahmood or Claire Mack. Sarah-Jane McArthur Again, I would draw a parallel with the position in relation to electricity licences.

Budget 2016: Tax Measures: Supplementary Information

Should all private building owners have to carry out an assessment to encourage them to think about connecting to heat networks? The Convener If I can interject, would there be any conflict of interests for the Scottish Government in driving the regulations on what needed doing if it were the regulator? Out of all of the technologies, that is probably the best one for addressing fuel poverty. Like other withholding taxes, withholding taxes on royalties can potentially be reduced or eliminated by a tax treaty between the states of the contracting parties.

Was there an EM? : Explanatory Memoranda and Explanatory Statements in the Commonwealth Parliament*

LSVCCs may be referred to by different names under provincial legislation. I am interested in the transfer of the schedule of assets when an operator ceases or is required to cease operating those assets.
