The lady with the lamp : the story of Florence Nightingale : Wyndham, Lee

Eventhough, it was short yet it clearly showed the important things that Nightingale's contributed in the nursing profession. Like in the life story of Florence Nightingale,, I easily understand the story because of the clear description that you made, I easily get ideas not only about the life story of Florence Nightingale but also on how to apply her Environmental Theory and her other contributions to myself and to others. Nightingale care and serve as far as she can.

Heart and Soul: The Story of Florence... book by Gena K. Gorrell

Oloresisimo, thank you po, because of her life I learned more information abouttheenvironment, and it helps me a lot to understnd why Im choose the course of nursing. However, after watching the life of Florence Nightingale my heart was touched then it brings lot of inspiration.

Miss Nightingale at Scutari, 1854

It widen my understanding about the different theories and their contributions to the nursing profession. It started out from watching an animated hero classic DVD about her so then we checked out a bunch of children's books to learn more.

Heart and Soul: The Story of Florence Nightingale by Gena K. Gorrell

I was very much impressed with Ms.

[Heart and Soul: The Story of Florence Nightingale]

Oloresisimo posted in this site and stories, Florence is not an ordinary woman.

Florence Nightingale's Legacy for Nurses: What to Know

The life story of Florence Nightingale is such an inspirational story especially to us, students of BSN, who can really appreciate it. Her effort to serve her patient, how she values the life that the creator gave us and her hardwork is the traits that I like most. And I learned from her is to keep our environment clean to prevent some diseases and many else.

Miss Nightingale at Scutari, 1854

You gave us additional knowledge about the life of nightingale that we do not find in any book we have right now. After the war she went back to Britain where she was awarded many awards for her skills and works during the Crimean war.

The White Angel (1936)
