## Postmodernism

This article is copyrighted © 2011 by Jalic Inc. In Transit: Travel, Text, Empire. In France, the philosopher Gaston Bachelard 1884—1962 formulated a phenomenological and surrealist account of poetry, while the existentialist 1905—1980 advocated a literature of political engagement.

## Postmodernism

Often movies, comics and American literature neglect to show realities of the journey west, and the life on the frontier. Writers who refused to bow to the popular tastes found themselves in a state of alienation from the mainstream of society.
