Crash Course for the ACT, 6th Edition: Your Last

Your SFAs, one for Quant and Verbal, are assigned to you to help you prepare for GRE. Last Minute GRE Program

It can quickly identify your weaknesses, and address the problem areas that will get you the biggest gain on test day. I got INCREDIBLE results -- one of my scores jumped 300 points from the practice test to when I actually took the GRE. And you'll learn how to draw sensible charts for the logic portion.
