## Recent Changes to the FTC's Robinson

In its first overhaul of the Guides in almost a quarter-century, the FTC has made some minor changes in the Guides, but for the most part has left them intact. If, for some reason, it did not want to sell large packs to it, then it probably would have been better off just by refusing to sell altogether.

## Discrimination: Robinson

Are there technical changes to the budget authority granted U.

## BISEL v. MATCO TOOLS

That injury can be shown by direct evidence of lost sales or profits caused by the discriminatory pricing.

## Recent Changes to the FTC's Robinson

What should be the standards for determining when a firm's product bundling or bundled pricing violates Section 2 of the Sherman Act? Conclusion Despite the fact that the Federal Trade Commission has not been an aggressive enforcer of the Robinson-Patman Act in recent decades, the Fred Meyer Guides remain a useful tool for businesses seeking to conform their advertising, merchandising, and promotional programs to the requirements of the Act - in order to reduce the risks that may arise from private treble damage actions. United States Postal Service exemption.

## BISEL v. MATCO TOOLS

Commenters have advised that disagreements between the FTC and DOJ concerning the clearance of mergers for review by one or the other agency have unreasonably delayed regulatory review in some cases. IT IS THEREFORE ORDERED that plaintiff's motion for partial summary judgment is denied.

## Recent Changes to the FTC's Robinson

The question, therefore, is whether the second element referred to in Conoco has been met. Even assuming that such a duty did exist and that defendant's breach thereof constituted a fraudulent misrepresentation, plaintiff fails to show the court how he relied to his detriment upon defendant's inaction. Though the FTC has some overlapping responsibilities with the Department of Justice, and although the Robinson—Patman Act is an amendment to the Clayton Act, the Robinson—Patman Act is not widely considered to be in the core area of the antitrust laws.

#### **Federal :: Request for Public Comment**

One insisted that Robinson-Patman would never be repealed—after all, what member of Congress would vote against protecting small business? The relevant facts, contained in the parties' briefs, are largely undisputed and may be briefly summarized.
