## China's Economic Growth Welcomed in Emerging Markets, but Neighbors Wary of Its Influence

These countries could make their fiscal adjustment less painful—by upgrading the efficiency of spending, strengthening fiscal institutions, and increasing non-commodity revenues. Russia is also a cross between China and India, but most of its companies are less competitive than those in Brazil. EconoTip The G-8 includes the G-7 plus Russia, which may best be described as an economy in transition.

## The United States and the Founding of the United Nations, August 1941

Specifically, the evidence suggests that long sentences, mandatory minimum sentences, and policies on enforcement of drug laws should be reexamined. For the emerging economies, high corporate leverage also poses a risk to financial stability.

## Global Trade in Developed, Developing Nations

This holds serious implications for funding their retirement and health care, as we saw in our look at the U.

## Strategies That Fit Emerging Markets

In the 1970s, the numbers of arrests and court caseloads increased, and prosecutors and judges became harsher in their charging and sentencing. But when it tried to move into Russia in 1990, the company was unable to find local suppliers.
