Charles Simonds

Simonds: Well, finally all these things were brought to one place, because the city wanted to make a— Rail: —a show.

Charles Simonds : Home Making

Underneath both of their points of view, the way they analysed behaviour, is a belief that there are certain commonalities among people, that there are underlying motivations and passions. Two rookie policemen came ready to confront a terrorist and instead found a strange American building a house with tiny bricks.

Charles Simonds's Absence

From the outset he never planned to help the community physically or politically to build a park or to work on any sort of macro level. And he was dubious of his friends who sought to be contained within it.

Center for Three

He has added labyrinths, pyramids and fortresses. With The Stanley Tankel Hanging Gardens and the Tenement Museum proposal he also was not motivated to bring attention to social ills.

Charles Simonds's Absence

Perhaps we are getting closer to, rather than further, from this idea. They are attempts to try to realize very particular images for me: an image of something growing and wilting, and regrowing again—with thorns. SW Could you give a few examples? Being born from the earth, believing the earth is a body, transforming my body into a landscape and then making it a dwelling, thinking of my body as my first home—all these pass through different gender identifications.

Charles Simonds: An Interview

He writes in the moment improvising off of an initial structure like the best practitioners of the oral tradition, jazz and stream of consciousness.
