When a person does proper thinking with the help of scriptures and the satsang and learns to distinguish between the nitya and anitya then he gains vairagya.

Solaya

Why being kind is good? Bhagavan says I pervade this entire world in my unmanifest form. One who is living in this body is called Atman which is same everywhere.

Vaishnava

Anitya means that which is impermanent, bad, adharma and negative. The body will react to the world in the same way. You cannot make the ocean free of waves.

Vaishnava

Once we do that we gain samatwa.

Solaya

We should study the scriptures.
