**A tahitian and english dictionary, with introductory remarks on the Polynesian language, and a short grammar of the Tahitian dialect with an appendix containing a list of foreign words used in the Tahitian Bible, in commerce, etc., with the sources from whence they have been derived · Ana'ite**

The official languages of Tahiti and her islands are French and Tahitian. Three examples illustrate Maritime Polynesian Pidgin, a Polynesian-based pidgin of the eastern Pacific for the early colonial period, with grammatical patterns and uses reminiscent of Pidgin Hawaiian, but extending regionally to the Society Islands, New Zealand, and overseas locations and with a greater time depth since the late eighteenth century.

**A Tahitian and English dictionary (1851 edition)**

This work was reproduced from the original artifact, and remains as true to the original work as possible. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. You have my apologies in advance.

**Te Reo Tahiti**

As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. This is NOT a retyped or an ocr'd reprint.

**Browse subject: Tahitian language**

Da LEO verwunderlicherweise gar nichts von Tahiti weiß, sollten neben dem Adjektiv auch der Name der Insel und ihrer Bewohner aufgenommen werden.
