. The first editor of the journal was Prof.

## ВОПРОСЫ ОНОМАСТИКИ

Ekaterinburg is the home for one of the most numerous and authoritative East European scientific groups working in the field of onomastics.

## ВОПРОСЫ ОНОМАСТИКИ

Edited since 2004, it attracts an international authorship and provides complete and balanced coverage of the latest research and theory in the study of proper names. For many years this group of researchers edited an eponymous which became an important forum for the study of proper names in the Soviet Union in the 1960-1980s. However, authors are invited to contribute papers on other languages as well.

## **ВОПРОСЫ ОНОМАСТИКИ**

The journal publishes papers in the Aims and Scope Voprosy onomastiki Problems of Onomastics publishes original research papers on all aspects of onomastics: theory of proper names and methods of onomastics; lexicography of proper names presentation of old and new dictionaries ; source studies in onomastics; functioning of proper names in different contexts: in dialects and popular language, in folklore and literature, in scientific and administrative discourses; historical studies of anthroponyms and toponyms including the study of substrate toponymy ; onomastics as a cross-road of different disciplines history, archaeology, ethnology, geography, anthropology, ethnolinguistics, etymology, regional studies, etc. Preference is generally given to the Slavic, Finno-Ugric, Romance, Germanic, Baltic, Celtic and Turkic languages.

## **ВОПРОСЫ ОНОМАСТИКИ**
