## Information Bulletins

The handbook discusses both California and federal laws in order to get a complete picture of the law on a particular topic.

## Information Bulletins

Copies may be obtained by request. Consult with your agency's information security officials with any questions regarding continued access to classified information. As a result of this policy, many old policies and procedures that were previously contained in DHS bulletins can now be found in DHS manuals.

## Information Bulletin

A best practice is to create unique agency-administered accounts when an employee begins using social media for official purposes. Day by day and moment by moment, each defendant breaches duty and oath with unlawful intent and contemplated harm, in furtherance of a scheme to defraud each of you out of justice within Chapter 13 ICAO investigation... And more importantly, cover the foundation for criminal prosecutions derived therefrom.

## Broadcast Bulletins

However, when determining whether to permit departing employees to remove copies of Federal records, the agency should also consider the extent to which such removal could affect the agency's ability to invoke various legal privileges, and should consider the use of nondisclosure agreements in appropriate cases. This analysis assists an aircraft owner in deciding whether to comply or not to comply with a specific service bulletin. The damaged fuselage skin showed that the braided section of the bonding jumper cable was contacting the skin.

No DL after fleeing from officers in a vehicle. This Bulletin reiterates CORI security requirements and advises applicant agencies of the CJIS Division's Security Policy, Security Awareness Training Requirement, and forthcoming Security Policy Assessment.

### **Information Bulletins**

The inaction may come back to haunt the aircraft owner at some time in the future. Federal records are important business assets with continuing value in protecting the rights and interests of the public, holding officials accountable for their actions, and documenting our nation's history. Federal records must be maintained under the control of the Government.
