## Zionism

Over it broods the spell of a curse that has withered its fields and fettered its energies.

## The Arab

Whether they remained in warm Italy or Spain, whether they found homes in cold Eastern Europe, whether they found their way to North America or came to live in the southern hemisphere where the seasons are reversed, the Jews celebrated the Palestinian spring and its autumn and winter.

## The 5 million members of the Palestinian Jewish Diaspora

With the beginning and development of its long decline in the seventeenth century, oppression and anarchy made growing inroads into the country, and Jewish life began to follow a confused pattern of persecutions, prohibitions, and ephemeral prosperity.

## Think

By this time over 100,000 British soldiers were stationed in Palestine. The operation began on June 29 and continued until July 1. During more than six centuries of Moslem and Crusader rule, periods of tolerance or preoccupied indifference flickered fitfully between periods of concentrated persecution.
