## My Fav ANIME (mostly historical romance)

Beginning with a primer on the underpinnings of colonial ownership, he describes how the first conquistadores were emboldened by the fifteenth-century Doctrine of Discovery, in which the Pope affirmed their right to take possession of foreign lands inhabited by non-Christians. The trouble with the reports of the Romans is that they were a mix of reportage and political propaganda. His investigation of the relationship between nature and the human mind continued in the long autobiographical poem addressed to Coleridge and later titled 1798—99 in two books; 1804 in five books; 1805 in 13 books; revised continuously and published posthumously, 1850.

## Rare & Collectible Books

Wordsworth, who lived in 1791—92 and fathered a child there, was distressed when, soon after his return, declared war on the republic, dividing his. The daymark is the paint color and pattern on a lighthouse. It comes from the Old English deore meaning precious, valuable, costly, loved, beloved.

## Human History and the Hunger for Land

No, I am not talking just about the Nilgiri Mountain Railway or the Darjeeling toy train, but forgotten ones like the one shown below. An era of polished brass and varnished wood, of ridiculous Victorian etiquette and language.

## My Fav ANIME (mostly historical romance)

But even with Huntly dead, Elizabeth refused to meet her.

## Legendary Lighthouses II

The location still exists today as a public park in London but the entertainment function ended in 1859.
