Protecting the Rights of Migrants in Europe? Workers often pay very high fees to recruiters to find work and must enter their new employment in a

form of debt bondage.

### **Immigration & Migrants' Rights**

This helps to ensure fair recruitment, access to justice and effective monitoring mechanism for the protection and safety of the migrant women workers abroad. . Yet, even in countries in which the Convention has been ratified, there are a number of implementation problems.

### **United Nations Migrant Workers Convention**

As one of the nine core international human rights instruments adopted between 1965 and 2006 Office of the High Commissioner for Human Rights OHCHR , the ICMW is designed to uphold the rights of migrant workers, whether in a regular or irregular situation. It details the way fundamental human rights — such as civil, political, economic, social, cultural rights or access to courts, and tribunals — apply to migrants and members of their families de Guchteneire and Pécoud ; Pécoud. The inflow of the remittance within the country has significantly reduced the poverty level of the people over the years and the income distribution has also improved compared to the past.

### **International Convention on the Protection of the Rights of All Migrant Workers and Members of Their Families**

Legal Barriers In certain countries, domestic laws are deeply incompatible with the provisions of the ICMW: in such cases, ratification faces clear legal obstacles as States would need to substantially modify their legislation de Guchteneire and Pécoud.

### **Rights of migrant workers in India**

The State has a positive obligation to protect the right and the identity of the minority group through policy initiatives and to prevent the infringement of the right by third parties. Part IX relates to the final provisions. Regional human rights instruments in the , , and other regional human rights systems also guarantee the right to nondiscrimination.

### **International Labour Standards on Migrant workers**

The United Nations adopted the International Convention on the Protection of the Rights of All Migrant Workers and Their Families ICMW in 1990, and the International Labor Organization has codified two conventions related to migrant workers: No. Children and young persons should be protected from economic. .

### **United Nations Migrant Workers Convention**

When migrants belong to one of the groups protected by the Convention on the Elimination of all Forms of Discrimination Against Women , the Convention on the Rights of the Child , or the International Convention on the Elimination of all Forms of Racial Discrimination , the equality and non-discrimination provisions are also applicable to them
