## Praktik u Vogošći gradi novu zgradu i upošljava 31 radnika

The steady disgorge of bilateral treaties, agreements, and communiqués between union republics, autonomous republics, and the RSFSR bypassed traditional institutions and weakened the centre's once exclusive jurisdiction. That is not to say, however, that the problems of sovereignty, democracy, and law that Russia confronts with its unique brand of federalism are themselves uniquely Russian problems.

## Federalism, democratization, and the rule of law in Russia

But is democracy really a prerequisite for federal systems or is it merely coincidentally associated with them? Oxford ; London : Hart Publishing, an imprint of Bloomsbury Publishing Plc ; Portland, OR : Hart Publishing, 2019.

## Реабилитация как цель производства по уголовному делу в отношении умершего

Just as the constituent states of a federation tend to forfeit by federal membership their sovereign status in international law, many other aspects of sovereignty are lost as well.
