## How to Get Rid of Ground Bees

Three days earlier, the Baker family - Robert, Margaret, their 16-year-old daughter Emily, and their infant son, Ollie - had been camping on the beach.

Ian and Samantha head to a remote beach for a romantic trip for New Year's Eve. The proceedings are complicated; it helps if the reader is a veteran of this long-running series. You can also opt for an insecticide that works overnight.

## Killing Ground (2016)

Power has an adequate eye for detail, but his camera never settles on, or moves in a compelling way. I was raking leaves by the house and got stung by a bee right through my working glove, and seeing more swarm, so I stopped raking.
