Apart from these accounting adjustments, the increases and decreases from last year's estimate of 1961 expenditures are approximately offsetting. The secretary was by then living with Lansdale in a Manila residence quietly protected by a special team of Filipino bodyguards who specialized in stealth and night operations. Specifically, the Congress should enact legislation authorizing the President to reorganize the Executive Office of the President, including the authority to redistribute statutory functions among the units of the Office; to change the names of units and titles of officers within the Office; to make changes in the membership of statutory bodies in the Office; and, within the limits of existing laws and available appropriations, to establish new units in the Executive Office and fix the compensation of officers.
