## Norwegian's Swedish & Danish Pilot & Cabin Crew Subsidiaries File For Bankruptcy

The fleet consists of 108 Boeing 737s and 37 Boeing 787 Dreamliner. The boards of these separate four companies in Sweden and Denmark probably had no other choice than to file for bankruptcy if Norwegian stopped paying their expenses. The four firms, all involved in staffing for the airline, are based in Denmark and Sweden.

## Norwegian's Scandinavian Crew Subsidiaries File For Bankruptcy

After the financially beleaguered company needed to ground its whole Boeing 737 MAX fleet after the software problems with the MCAS, the carrier needed to stop all transatlantic flights from Ireland.

## List of Subsidiaries of Norwegian Cruise Line Holdings Ltd.

In November they declared bankruptcy, looking to restructure. Our newly announced business plan has outlined a more simplified business structure that focuses on a dedicated short haul route network.

## Irish subsidiary of Norwegian Air wound up

A boiler explosion in May 2003 forced Norwegian to withdraw the Norway from service, later being laid up in Germany, until 2005, when she was towed to Malaysia with the claimed intent to use her as an anchored casino or slow overnight casino cruises on her remaining boilers. It has also previously owned or operated 19 other ships.
