Official English

Many liberals support the English-only movement and obviously do not understand it to be racist. In fact, some contend that the need for translators actually provides jobs for Americans and has not proven to be a financial issue for the government. While the debate dates back as far as the , members of Congress are still attempting to pass bills regarding this today.

Official English

It is unreasonable to rely on Spanish speaking infrastructure in the event of emergency, when rapid communication is needed. The exit polls revealed that 71% of whites approved the bill, while only 15% of the Latino community supported it.

Debate: English as US official language

Official English does not restrict the rights of private citizens in any way.

What do I need to know about... English

Real forms of discrimination aim at the inherent characteristics of an individual that they cannot change such as their skin color or national origin. Hundreds of thousands of them, brought in to build the railroads, endured backbreaking labor at gunpoint, pitiful wages, and continuous attacks, including many cases of mob violence. This paper is not a pedagogical analysis, although pedagogical issues are an important aspect of my research.
