American scholar, , wrote that the concentration of money in the hands of the very rich and the perversion of democracy through the privatization of government was always the goal. A large number of pamphlets are published by the Thai government in order to imbue the minds of the Thai people with this ideology.

### **Islam is a Political Ideology Disguised as a Religion**

Very often ideology refers to a set of political beliefs or a set of ideas that characterize a particular culture. While the purported intention of Socialist Realism was to free Russian intelligentsia, and writers in particular from their restraints of capitalism, western thinking, and the previous reign of censorship instilled by the Tsarist autocracy. He knew exactly what he was doing, meant to do it, and believed he was right to do it.
