## Coping with Life's Challenges

Her best friend had been diagnosed with breast cancer, gone through treatment, and died, and Kim had seen what it had done to her along the

way. When this happens, it can become easier not to prioritize the time that you spent doing things for self-care because it feels like there are too many other things happening. Practice gratitude on the small things in life to help you deal with the actual issue rather than all the little insignificant ones that block your light.
