Pr. for John Wright - THE GOVERNMENT OF THE CHURCH

[I] est bon que nous soyons premuns d'heure, à fin qu'en quelque lieu que nous vendions, ou de quelques tentations que nous soyons assaillis, nous ne declins point de la pure parole de Dieu...	[I]t is good that wee be always aforheande and in a readinesse, to the ende that in what so ever place we come, or with what temptation so ever we be assaulled, we never swarne from the pure word of God...
Dieu quiete toute alliance aux idolatres ...	God denieth all covenant and fellowship with idolaters...
[C]eux qui cherchent vrayement et en purete de cuer de posseder Dieu pour leur heritage, n'auront mille accountance aux idoles, avec lesquels il ha un tel divorce, qu'il veult que tous les siens leur facsent guerre mortelle...	[T]hey which seek truly and in purity of heart to possess God for their heritage, will have no fellowship with Idoles, with whom they have such a divorce, that hee will that all those that are his, should <i>proclaim</i> and <i>make continual</i> and deadly war against them...
Ils se vont comme emmuculier, et font semblant d'estre un membre du corps.	they [who join idolators] go as it were to be matriculated and incorporated amongst them, and faine themselves to be members of the same body. <sup>103</sup>

For the early part of the period Krummel has described in detail the ways in which the patent for music books, including ruled music paper, controlled the publication of printed music in the latter part of the sixteenth century. An excellent receipt to make a compleat common-wealth-oleo, or if you please a new senate fitted to the English-man's palate. While Whitgift had been a dedicated patron of the anti-papal works of the moderate puritan William Whitaker, he was not prepared to allow the publication of anti-papal polemic by the more clearly presbyterian 55 Hooker, Laws, IV, ch.

Was their function simply to enhance the value of the printed book as an article of presentation, or are we to assume a retrospective bringing together of materials that had already been individually presented in manuscript? Through their efforts, key works by fellow Jesuits and seculars were rendered familiar to English readers, and in turn their own writings were transmitted into other languages and regions. The Reformation in England had put close to a situation in which the Church, through its legal powers and control over education, exercised great influence over the public communication of ideologically significant knowledge, while at the same time possessing highly efficient internal means, which disappeared with the loss of its international links, for the transmission of news.
