Highest number of abortions since 1967 is 'a national tragedy' says SPUC

Where there is only a small number of abortions for a particular ground, the number is suppressed by statisticians to avoid the risk of disclosing the identity of the persons involved, especially in smaller jurisdictions. Section 13 of the 1828 Act was replaced by section 6 of the.

CDCs Abortion Surveillance System FAQs

When making their assessment, both medical practitioners must be satisfied that at least one of the grounds for an abortion are met.

full-term 38-week-old foetus and was sentenced to 8 years in prison but was reduced to 3. Under , the provided strong support for the establishment of an independent Marie Stopes abortion clinic in Belfast.

The Law on Abortion in the UK

Furthermore, the benefits of decriminalisation have been clearly illustrated through the successes of reform in Victoria. There seems to be one rule for financial services where money is involved and strict rules are in place to protect clients, and another for pregnancy advice centres where there is no independent advice available for clients, and where the currency is counted in human lives. It eliminated the death penalty as a possible punishment.

The Abortion Act 1967: Out of Date and Out of Time?

Nothing can bring back a dead baby. By 1967 it seems the rate of abortion was decreasing, as well as maternal mortality from abortion.
