## Carian language

The decipherment of the Carian alphabet has only recently made it possible to analyze Carian inscriptions and to classify the Carian language linguistically. This may look strange, but it fits the picture: according to 2 Samuel 8. On the other hand, according to Herodotus again, the Carians wanted to pose as natives of Caria.

## Carians

Harry Thurston Peck, Harpers Dictionary of Classical Antiquities 1898 : Disambiguation No information available at this time.

## Palaeolexicon

In the Catalogue of ships, he tells that they lived in Miletus, on the Mycale peninsula, and along the river Meander. The volume concludes with a special appendix on Carian coins and legends by Koray Konuk that will be of particular interest to specialists in ancient numismatics. How can the Mysians, who seem to have been speaking a very different language from Carian Athenaeus Book IX reports a similarity of Mysian and Paeonian.

## Carian alphabet and language

Origins of the Carians Even though Carians are mentioned frequently in ancient literature, most things about them remained a mystery. Geographical Notes first Persian province Citations in Herodotus settle in Chios: Paus. It seems that the Greeks settled on the coast in the dark ages between c.

## Carians

Pharaoh's mercenaries Like the Swiss, the Gurkhas, and other mountain people, the Carians were forced to become mercenaries. The Greeks arriving in small numbers on the coasts of in the found them occupied by a population that did not speak Greek and were generally involved in political relationships with the. After a gap of some four centuries in which they are mentioned only once, the first to mention the Carians is the legendary Greek poet.

## **The Carian language.**

This happened after the Persian king had defeated the powerful king of Lydia, , who had had some influence in Caria. He has published extensively on Anatolian languages and the languages of Ancient Italy and on Romani linguistics.
